The 9th East Coast Operator Algebras Symposium
October 15 and 16, 2011, Purdue University, West Lafayette, IN

OCTOBER 15 AND 16, 2011
PURDUE UNIVERSITY, WEST LAFAYETTE, IN

The conference will celebrate Larry Brown's many contributions to mathematics on the occasion of his retirement

The ninth annual East Coast Operator Algebras Symposium will take place at Purdue University, West Lafayette, Indiana, on October 15 and 16, 2011. The conference will start on Saturday morning and conclude in the early afternoon on Sunday.

The East Coast Operator Algebras Symposia have been established to promote the growth of operator algebras on the east coast and provide a forum for graduate students, postdoctoral scholars, and faculty to interact within the region.

Important Information for the 2011 ECOAS:
Financial support will be available to cover or partially cover the travel and local expenses of many conference participants, with priority given to graduate students, postdoctoral researchers, and participants without other means of support.
